**- Profile -**

Established in the year **2009**, we, '**Lombardyne Industries**', are reckoned as one of the most reliable manufacturers and exporters of pristine spectrum of **Chillers and Heaters**. These products are manufactured employing latest machines and technologies available in market. Owing to their remarkable features such as strong construction, long functional life, easy installation, reliability, remarkable corrosion resistance and optimum durability, these are admired from the customers. We are looking for foreign queries from **Nepal, Dubai, Sri Lanka and South Africa**.

To deliver an immaculate array of products to the clients, we have established a state-of-the-art manufacturing facility at our premises. Armed with all the requisite equipment and techniques, it allows us to meet with the high quantum orders of the clients in least possible time. Post production, the finished products are duly-tested on certain parameters to ensure that the offered range has no defect.

Under the able guidance of our mentor, '**Mr. Nikhil V. Lombar**', we have been able to capture the market of South East Asia. Our specialization and sound experience of this domain allow us to consolidate our market position.

Apart from this, our logistics personnel use various shipment modes to ensure timely delivery of consignments.
