<https://www.indiamart.com/harshada-industries-pune/>

We are manufacturing, supplying and exporting of industrial process equipment from more than 2 decades. These machines are known for their precision designs, durability & wide functionality.

## About Us

Established in the year **1985**, we **M/s. Harshada Industries (I)** is a name to reckon in the field of **industrial process equipment**. Our pursuits for impeccable quality and total reliability have led us in manufacturing a superior range of industrial process equipment. We are backed by a qualified and an experienced team who helps us in manufacturing industrial process equipments as per international standards like **ASME, TEMA, BS and IS**. To achieve complete satisfaction from our clients we also offer customized solutions. Further, we have established a state-of-the-art manufacturing unit, which is equipped with sophisticated & latest machinery. This unit enables us in manufacturing our high quality product range as per the international standards. Operating from the industrial area of **Pune**, we have been able to cater to a wide client base in India and also exported to **South East Asia and Middle East Asian Countries**.
