

Metro Metal Industries

an ISO 9001 : 2008 Certified Company

PRODUCT RANGE CATALOGUE

www.metrometal.in

In your service from last 50 years

Metro Metal Industries, an ISO 9001:2008 company is the name which is known and trusted by our esteemed customers for the products highlighted in this catalogue. We are leading manufacturing unit in the metal and Modular Furniture industries and we cover a wide range of expanded metal and Modular products.

We are maintaining tradition of quality engineering in the fields of sheet cutting, pressing, bending, CNC pipe bending and CNC Edge Binding, Post Forming and Cuttings. For all these type of jobs, we have in-house facility with hi-tech modern machineries.

Skilled workmanship is the major contributing factor which brings utmost quality perfection to the products assuring maximum durability, protection from easy wear-outs and smooth operating techniques. The products are designed and developed to provide full satisfaction to the customers and to return the total value of their money invested in our products.
