ABOUT US

Established in the year 2011, we, "Rajasthan Transformer & Power", are an organization engaged in manufacturing and supplying a comprehensive range of Power Transformer, Distribution Transformer, Furnace Transformer, Dry type & special purpose transformers up to 33KV class

WHY WORK WITH US?

- ✓ RTP is an ISO 9001:2015 & BIS certified company.
- ✓ We use modern machines in compliance with the industry laid norms and standards.
- ✓ We manufacture transformers using premium grade raw material.

OUR RANGE OF TRANSFORMERS IS APPRECIATED IN THE MARKET FOR

HIGH
PERFORMANCE

STURDY
CONSTRUCTION

TROUBLE-FREE
OPERATIONS

RELIABLE
PERFORMANCE

ON-TIME
DELIVERY

PRODUCT RANGE

OIL IMMERSED TRANSFORMERS

- High-voltage clients can recycle or remanufacture liquid-filled transformers easily.
- Numerous recycling options are available.

DISTRIBUTION TRANSFORMERS

- Designed and manufactured to meet IEC/IS-1180/IS-2026 standards.
- We manufacture Three phase Transformers up to 10 MVA at 11,22 & 33KV class at different voltages and frequency level as per customer requirements.

POWER TRANSFORMERS

- We manufacture wide range of power transformers, designed & manufactured to meet various standards ranging up to 10 MVA at 33KV class.

SPECIAL PURPOSE TRANSFORMERS

- We manufacture custom designed transformers for industrial and power applications.
 - ✓ Dual ratio transformer
 - ✓ Converter duty transformer for solar
 - ✓ Rectifier transformer
 - ✓ Traction transformer
 - ✓ Earthing transformer
 - ✓ Scott T transformer
 - ✓ Isolation transformer

FURNACE TRANSFORMERS

- We manufacture furnace transformers upto 10 MVA 33 KV class.

DRY TYPE TRANSFORMERS

We also manufacture dry type transformers which include Open wound dry type, cast resin & Vacuum pressure impregnated up to 2 MVA at 11 KV class.

- Low maintenance
- Eliminate environmental risks related to leaks and spills.
- Outperform conventional transformers in extreme conditions.
- Self-extinguishing and low fire hazard.
