

## *Shreeji Seating System*

We are one of the leading manufacturers and suppliers of Flexible Foams which are appreciated for light weight and moisture resistance. We also offer Industrial Product and Insulation Service.

## Shreeji Seating System

### - Profile -

Established in the year **2005**, we, '**Shreeji Seating System**' are counted among the distinguished manufacturers and suppliers of **Flexible Foams**. In addition, we offer quality **Industrial Products** and **Insulation Services**. We continuously work towards delivering optimum quality products to the customers, which helps us in staying ahead of our competitors. For this, we make use of quality raw material in the manufacturing process. With well-coordinated efforts of our professionals and their focused approach towards delivering international standard products, we have garnered a huge client-base for our organization.

We are supported by ultra-modern and technically advanced infrastructure, which is installed with requisite machines operated by trained professionals. They develop products carefully and help us fulfill bulk needs of the clients. Clients appreciate us not only for our ability to provide specific solutions, but also for conducting business on ethical grounds. By offering easy payment modes and maintaining transparency in dealings, we have been able to add-up numerous clients in our fold. Our mentor '**Mr. Rajendra B. Borse**' is the force behind the success of the organization within a short period of time. With his meticulous efforts and innovative ideas, we have been able to gain a respectable position in the domain.
