

Multi-functional Storage

VSDU

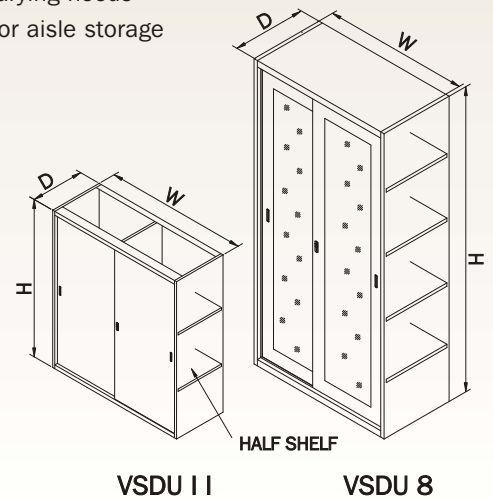

VSDU are versatile, long-lasting and trouble-free storage units which serve multiple functions of aisle/ personal storage as well as partitioning.

Features

- Frame type construction for rigidity
- Top hanging sliding door to prevent derailment
- Plastic roller with steel ball bearing for smooth movement of door & less noise
- Adjustable shelves for flexibility in storage
- Easy to adjust levelers to match flooring
- Snap on aesthetically appealing die cast lock for safe locking

Product Range

- Glass door SDUs for visibility
- Low height units can be used as top support units without metal top panel
- Option of wooden or metal top for low height units
- Option of cradle for instadex file hanging
- Range of sizes for varying needs
- Full height models for aisle storage
