Book Rack

Book Rack

KD Book Racks are aesthetically designed to match your interiors. It is constructed in such a way that it gives you ease of handling. It has width-wise stackability to suit your requirements. It has multiple loading levels which gives more storage area. In all steel units, the height wise adjustability of shelves give more flexibility for storage. It is provided with label holders on the Main unit for easy identification. The all steel main unit also comes with 2 way 'Range Indicator' which helps in identifying the broad content of the bay from the aisle. Stands are available for Single & Double sided units (for all steel units only). It is suitable for Public Libraries, Educational Institutions, Financial Institutions, Insurance Companies etc.

Models
Available in 4 different models.
- Single Sided Wood and Steel (5 fixed loading levels)
- Double Sided Wood and Steel (10 fixed loading levels)
