

A creative response to changing office culture...

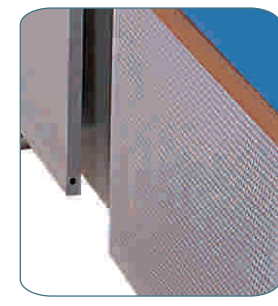

Work Surfaces
The peninsular work surface between individual workstations provides space for team interaction.

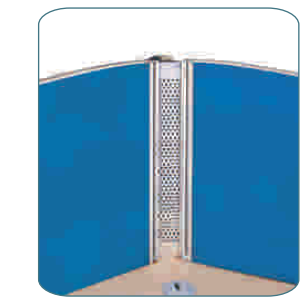

The corner curvilinear work surface transforms a personal workspace into an informal meeting place and also provides additional workspace.

Fabric Tackable Screens
Provide display space and visual privacy.

Modesty Panel
Provides privacy and enhances aesthetics.

Perforated Gap Fillers
Perforated sheets between screens for added privacy.

Keyboard Pullout Tray
With articulated mechanism for ease of operation.

Panel Mounted Accessories
Reduce clutter on workspaces and organise work flow.

CPU Trolley
Provided with castors for mobility.

All accessories shown in the catalogue are not part of the standard offering & will have to be ordered separately.

ENRICHING LIFE BY TRANSFORMING WORKPLACES

Godrej Interio is the undisputed leader in the Indian furniture industry, mainly due to the trust reposed by its customers for over 60 years. With its international affiliations and own R&D facilities, Godrej Interio has constantly evolved with the times, designing and developing world-class furniture and interior solutions customised for the Indian marketplace.

Godrej Interio works closely with leading architects, interior designers and R&D specialists to offer a plethora of solutions to a variety of industry segments (such as corporates, financial institutions, IT and ITES), unmatched by any other furniture brand in the country today. With an established network of offices, manufacturing facilities, customer care centres, 37 modern spacious showrooms and over 700 dealers, Godrej Interio is not only best-qualified to solve, but also quick to respond to your furniture and interiors requirements.

Godrej Interio carries the **Godrej stamp of quality and reliability**, and is a certified **ISO 9001:2000** and **ISO 14001:2004** Division of the company.

REFLEX

The new-age corporate desk-based system.

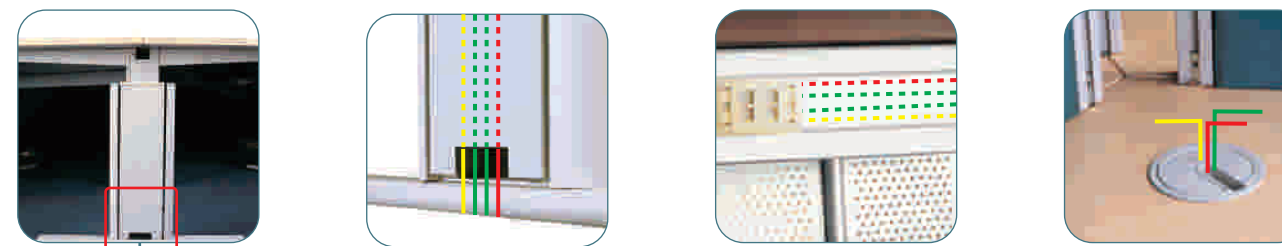

Enhancing corporate efficiency through people performance.

The world over organisations are striving to create an open culture and build teams to fulfill their objectives.

Reflex, our new desk-based system is inspired by this very thought. Ergonomically designed, Reflex creates the right ambience for creativity and greater performance.

Steer your organisation into the new corporate era. **With Reflex.**

REFLEX — WIRE MANAGEMENT

Legs
Provide for entry of wires from the floor, concealed within leg fascia.

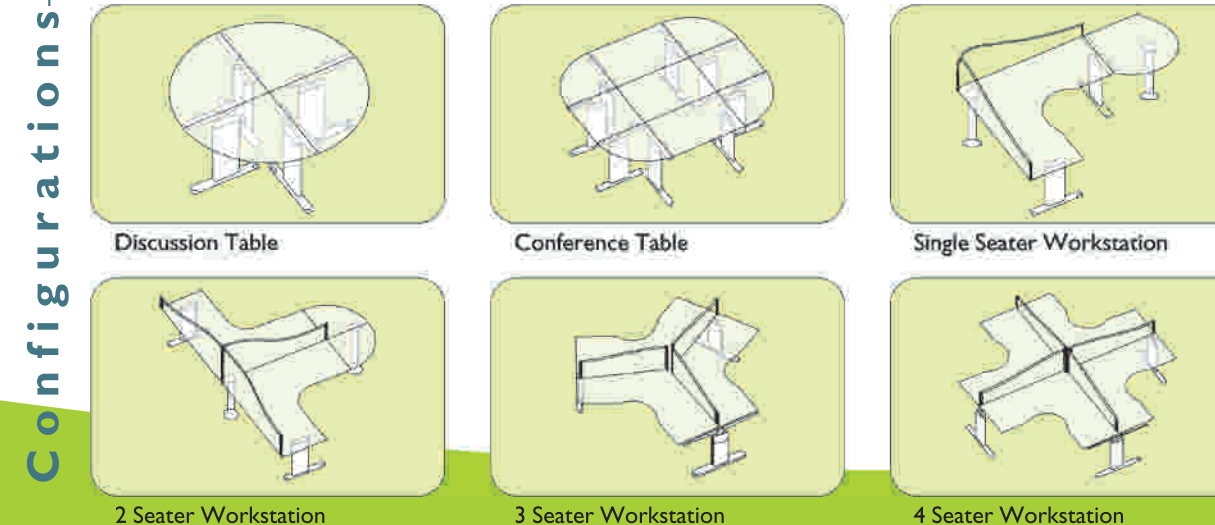

Telescopic Wire Managers
Provide stability, concealed routing of wires & mounting of switches below work surface.

Plastic Grommet
To pass wires through to the work surface.

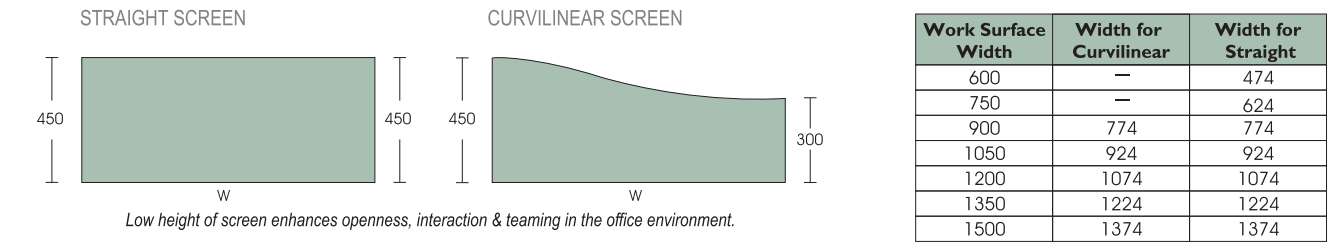

The **3 person 120° workstation** accelerates group interaction and activities yet allowing individual space. The triangular shape provides the required privacy without hindering communication. The work surface shape is compact yet offers substantial work area.

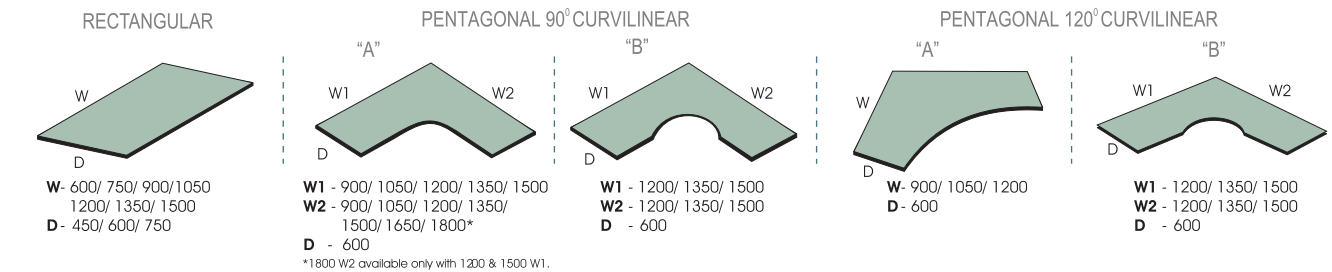

To suit requirements of different work profiles
