# ITW Reddi-Pac

Product protection simplified

Reddi-Crate™

Reddi-Crate laminated paperboard packaging helps prevent product damage that can occur during shipping and handling. It is an excellent replacement for wooden crates for export packaging. Two end closures form a shipping container that provides superior strength and protection for almost any application.

Reddi-Crate has a smooth surface and interior that is non-abrasive to products.

Reddi-Crate end plugs are available in wood, corrugated or u-plug material to suit your application
