ITW Reddi-Pac

Product protection simplified

U-Board™ and Jumbo Corner™

U-Board laminated paperboard packaging provides superior edge protection to prevent product damage that can occur during shipping and handling. Its rigid u-channel construction eliminates any added assembly time, creating a durable and more efficient way to protect your products.

U-Board has a smooth surface and interior that is non-abrasive and can help to protect the corners of products.

U-Board can be treated with a variety of protective coatings that offer moisture resistance and corrosion protection.

Jumbo Corner laminated paperboard packaging provides superior edge protection to prevent product damage that can occur during shipping and handling. It's preformed 90° angle provides the superior strength advantage for corner protection and allows bulk products to easily unitized.

Jumbo Corner can be treated with a variety of protective coatings that offer moisture and corrosion resistance.

Specifications

Product	Leg height mm (A)	Base width mm (B)	Wall thickness mm (C)	Length meters (D)	Dimensions
U-Board	50-203	127-304	2.5-12.5	Up to 14 meters*	
Jumbo Corner (Angleboard)	50-203	76-304	2.5-12.5	Up to 6 meters	

Note : *Lengths over 6 meters will require special transport arrangements.
