To

SSP Pvt Limited  
13, Mile Stone,  
Mathura Road,  
Faridabad - 121 003  
Hyryana.

Kind Attn: Mr.Tapas Chatterjee, MD/ Mr.Shaukat Ali, GM - Tech.

Sub: Performance of 5 effect falling film evaporator for treating 300 M<sup>3</sup> of dye bath effluent per day.

This is with reference to the above supplied by you for treating 300 M<sup>3</sup> per day of dyebath.

The plant is working satisfactory and meeting the parameters specified in our purchase order. We have verified the steam consumption which is 2100 kg/- for water evaporation of 14250 kg/hr.

We wish you & your team all the best for your further project and we look forward for our healthy and long lasting relationship.

Thanking You

Best regards,

  
S. Vasanth Kumar  
Jt. Managing Director.
