Dear Sir,

**Sub : Successful Commissioning of Triple Effect Falling Film Evaporator - Reg.**

**Ref : JOB EV - 1077**

---

We are pleased to inform you that the **TRIPLE EFFECT FALLING FILM EVAPORATOR** fabricated in **SS - 316** by you has been erected at our factory and the same has been put into operation after trial run for a few days. The equipment has been put into continuous operation for more than 24 hours to meet the expected results with respect to **rate of feed, concentration and rate of output, consumption of motive steam and cold water for condenser**. We are quite satisfied with the performance of the equipment apart from its excellent workmanship.

We express our sincere thanks for the excellent co-operation extended by you in the fabrication, supply, erection and commissioning of the **Triple Effect Falling Film Evaporator** to our full satisfaction. It will be an equipment of unique design, fabrication and commissioning within the stipulated period.

Thank you and look forward to your continued service for our future requirement.

For McADAMS CHEMICAL MFG. CO.,

**(R. BALAGANGATHARAN)**  
Chief Executive
