# Mosaic™

## The mind switch

Mosaic has articulate answers to blend beautifully with any decor. French designs and fascinating finishes are destined to create the ambience you desire, aesthetically. So be it your office, hotel or home, Mosaic has a wide range to add to your lifestyle.

Choice - Plastic colour plates.

White Plate

Black Plate

Teak Plate

Silver Plate

Gold Plate

Marble Plate

3 module gold plate with switch and socket

2 module silver plate with 2 module switch

3 module teak plate with switch and socket

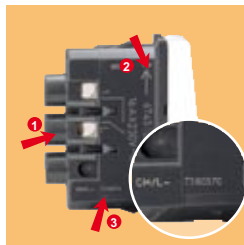

4 module marble plate with switch and socket

## with unique features switch to ease

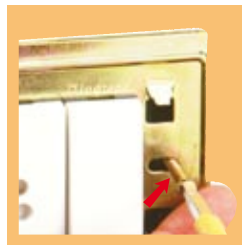

- ① Finger-proof terminals for IP 20 protection against accidental contact
- ② Captive "never to loose screws"

- ① Tunnel terminals preventing screwdrivers from slipping
- ② Laser marking on mechanisms. Arrow showing the correct orientation of the mechanism
- ③ The latest IS 3854 : 1997

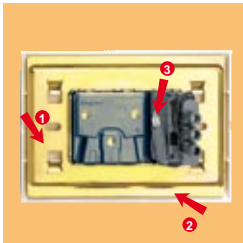

Fully shrouded internal mechanism under the rocker preventing visibility of sparks

30 mm long screws for adjustment in case the boxes are overflushed

No visible screws after installation

- ① Metal frame providing solid support to base
- ② Plate made from highest quality polycarbonate
- ③ For switches with neon lamp, life of neon lamp is 25000 hours

- ① Stripping template on sockets for stripping off exact length of insulation
- ② In 6/16 A 3-pin combined sockets, barrier between terminals preventing accidental contact of phase to neutral and phase to earth wires

Sockets are shuttered for child's safety against electric shocks

Possibility of weather proofing mechanisms using Plexo IP 55 and IP 66 boxes

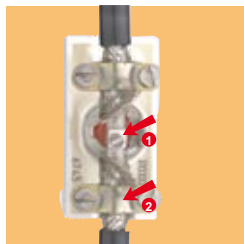

Stepless device aiding gradual increase and decrease of illumination levels

### TV sockets

- ① Sockets flushed on the plate
- ② Firm grip due to spring action resulting in perfect contact

- ① Cable grip
- ② Silver plated screw terminal

### Shaver sockets

With in-built transformer enhancing the safety of the user.

Protection against overload and short circuit by internal thermal relay limiting the available power to 20 VA.

### RJ 11 telephone sockets

- ① Label holder
- ② Shutter for protection from dust

**Mosaic™**  
The Mind Switch

## Guarantee

- The Company at its discretion, will replace products if they have any manufacturing defect within 10 years for switches (without neon lamp) and power sockets. For all other Mosaic™ wiring accessories the guarantee will be 2 years.
- The above guarantee is applicable when the devices are used in Legrand metal flush boxes. Other wise the guarantee period will be reduced by 50%.
- The guarantee is only applicable when the products are installed as per the Company's instructions and not tampered in any manner.
- The guarantee states the Company's entire liability. It does not extend to cover consequential loss or damage or installation costs arising from defective products.

Bold cat. nos. are products normally available with Legrand (India) Stockists. Cat nos. that are not bold - delivery within 4 - 8 weeks from the date of order. Bold packing quantity is our mandatory packing. Orders to be placed by Legrand (India) Stockist in multiples of the same.
