

Corporate Brochure

We are counted amongst the leading manufacturers and exporters of Printed Paperboard Cartons & Corrugated Boxes. Our products are appreciated for their high tear strength and clear printing.

Established in the year **1992**, we, “**Vijay Shri Notebooks Private Limited**”, are one of the renowned manufacturers and exporters of **Printed Paperboard Cartons & Corrugated Boxes**. The organization is based at Indore (Madhya Pradesh, India). All our products are designed as per the international quality standards, so that we are able to cater to the clients across the globe.

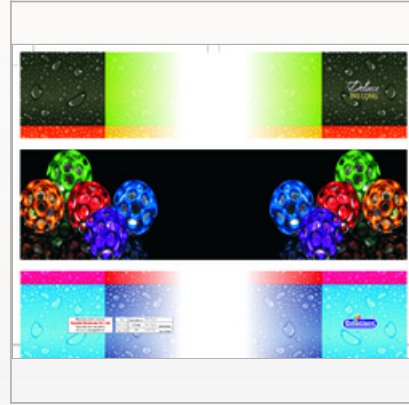

Our professionals make sure that the raw material used in the production process is of optimum quality and thus our range is appreciated for its longer service life. The machines used in the fabrication process is of the latest technology. Furthermore, in order to facilitate our clients to the fullest we are offering them some hassle-free payment modes such as cash, cheque, credit cards, DD, online and pay orders. In addition to all this we also offer cost effective packaging and commercial printing solutions.

The success and name that we have garnered in the market is the result of the efforts of our mentor, “**Mr. Nilesh**”. He works in the direction of achieving the organizational goals within the stipulated time frame. With his years of experience in the domain he understands the market scenario very well.
