“a seamless solution”

Company Profile

-  Incorporated in Oct 2011 - Private limited company.
-  Team of technocrats from Tube Industry with 18 to 20 years of experience in Engineering, Manufacturing and Quality Assurance.
-  Capital Invested : INR 125 million
-  Plant Area : 25000 sq.ft
-  Installed capacity : 6000 Tons /annum
-  No. of People : 30

“a seamless solution”

Vision

“To be a centre of excellence in the field of cold drawn seamless tubes manufacturing and to add value to tubular products by innovative ideas and conduct services that suit customer needs”.

“a seamless solution”

Mission

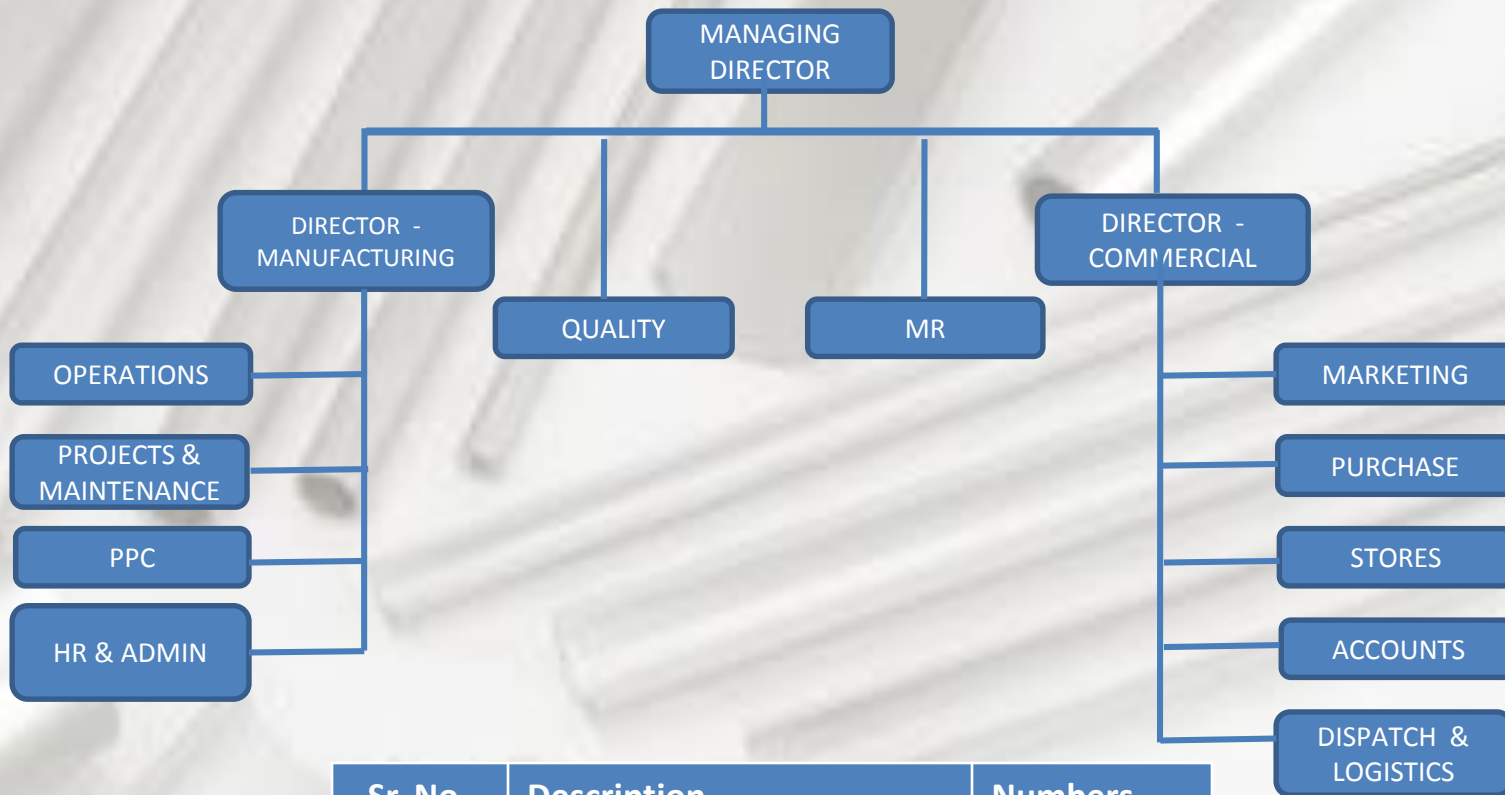

“Influence innovative initiatives in Seamless Tube Industry by imparting and implementing cost effective process, quality standards and services and moving towards greater professionalism, thereby “Redefining Manufacturing”.

“a seamless solution”

Organisation

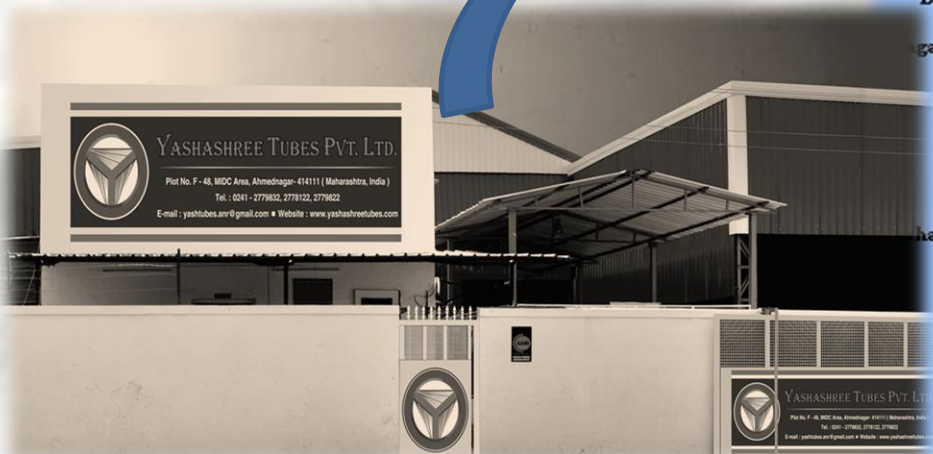

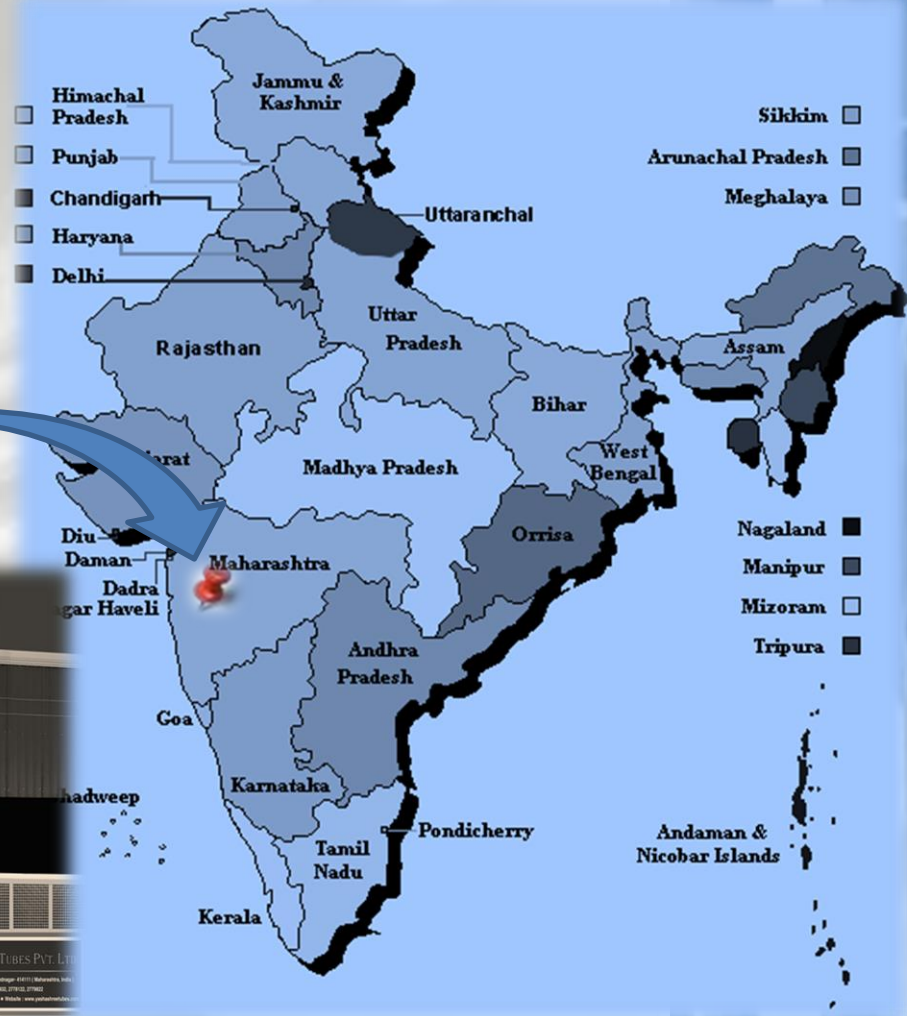

Sr. No.	Description	Numbers
1	Total strength	30
2	Engineering staff	8
3	Commercial staff	3
4	Working manpower	19

"a seamless solution"

Plant Location

Yashashree Tubes – plant is located in the industrial area of Ahmednagar, 120 kms from Pune and 270 kms from Mumbai

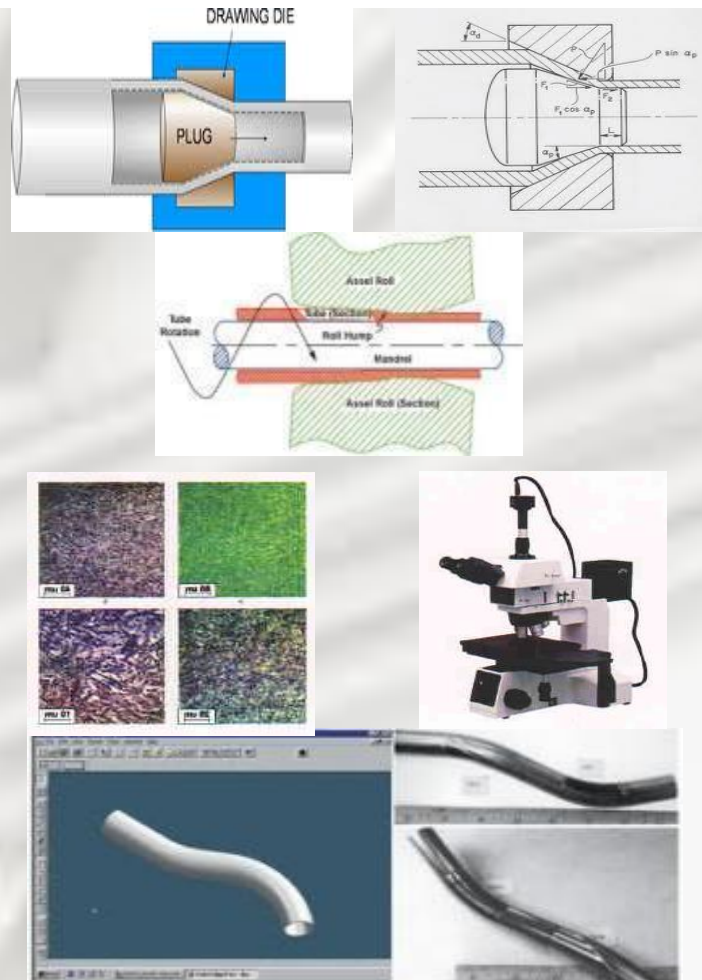

“a seamless solution”

Design & Engineering Centre

- Well equipped design center for design of tools for high quality seamless tubes.
- Qualified engineering team constantly work on DOE.
- Extensive engineering on using special alloy steel.
- CAD & CAE intensively used to construct design of flawless pipes of uniform wall thickness

Core strength : Perpetual Engineering to improve surface finish

“a seamless solution”

In-house technology built upon....

Lean Manufacturing System

Mother Hollow

Surface Treatment

Pointing

Cold Drawing

Heat Treatment

Straightening

Eddy Current Testing

Cutting

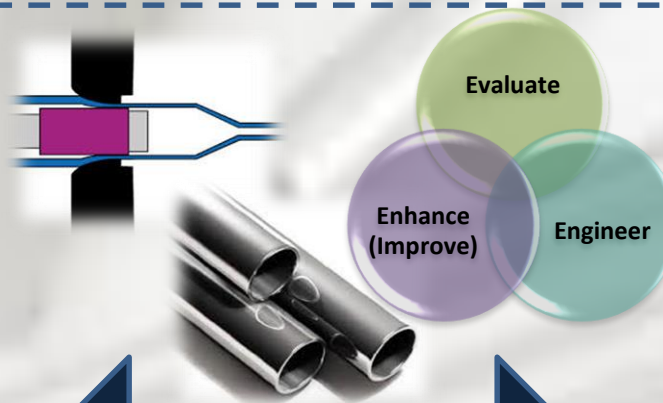

Mechanical Testing

Hydro Testing

Visual & Dimension Inspection

Surface Protective Coating & Packing

Dispatch

Standards & Specifications

Standard	Specification and grade
EN	10305-1, 10204, 10216-2, 10297-1, EN19, EN8D
DIN	a) 2391 (ST-35, ST-45, ST-52) b) 2391 /C (ST-37.4, ST-52.3, ST-37.0) c) 17175 (ST-35.8, ST-45.8) d) 100Cr6, 42CrMo4, 16MnCr5, 20MnCr5
BS	3059 P1 Gr 320 ,P2 Gr 360, Gr 440
ASTM	A 106 (Gr A, B, C), A179, A192, A210 (Gr A1 / Gr C) A213 (T5, T11, T12, T22) A335 (P5, P11. P12. P22)
SAE	8620, 52100, 4130, 4140,1045,1035

Carbon an Alloy Steel specified for various critical applications like Heat Exchanger, Boilers, High and low Temperature services, Super-heater, Automotive, Bearing Quality and many more..

“a seamless solution”

Manufacturing Facilities

EQUIPMENT

CAPABILITIES

COLD DRAW BENCH

Outer Diameter : 19.0mm to 114.0mm
Wall Thickness : 2.0mm to 12.0mm
Tube Length : Up to 12.0 Meters
Capacity : 50 M Tons
Reduction : Maximum 30%

PUSH POINTING BENCH

Capacity: 20 mm to 125 mm Outer Diameter

HEAT TREATMENT FURNACE

Roller Hearth Furnace
Capacity: 1 M Ton per hour
LPG fired
Temperature: Max.1000°C

“a seamless solution”

Manufacturing Facilities

EQUIPMENT

CAPABILITIES

TUBE STRAIGHTENER

6 Roll Tube Straightening Machine

Capacity : 19.0mm OD to 114.3mm OD

Length : Up to 14.0 Meters

EDDY CURRENT TESTING SYSTEM

Fully automated, 2 channel rotating probe system

Frequency: 400 KHz

Capacity: 19.0mm OD to 114.0mm OD

HYDROSTATIC TEST BENCH

Capacity: 19.0mm OD to 114.0mm OD

Test Pressure: Max 310 Kg/sq cm (4500 psi)

“a seamless solution”

Laboratory & Testing

Image Analyser

Metal Alloy Analyser

Fully Equipped Laboratory

Hardness testing

Impact Testing

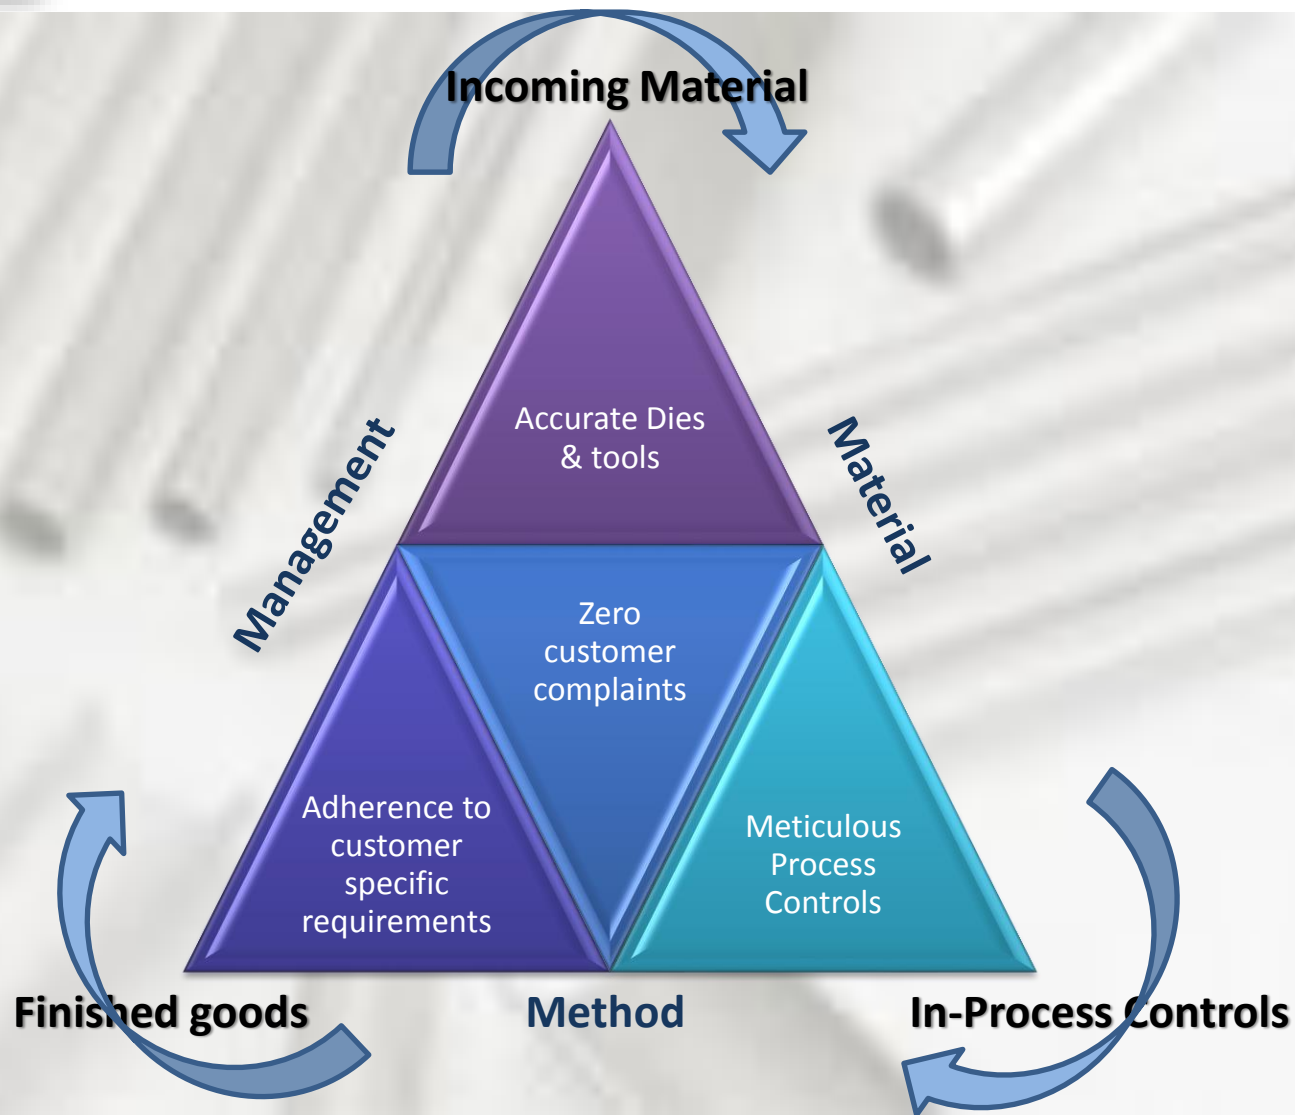

Computerised UTM

“a seamless solution”

Quality Assurance

“a seamless solution”

Customers List for Boilers and Process Industry

- Shivam Hitech Steels Pvt. Ltd, Raipur
- Trust Well Engineers (I) Pvt. Ltd, Pune
- Tube Weld (I) Pvt. Ltd, Mumbai
- Sai Engineering & Equip. Pvt. Ltd
- Hitech Power Equip. Ahmednagar
- Lipi Boliers Pvt. Ltd. Aurangabad
- Ferro Weld Mumbai
- Biksons Enggs. Pvt. Ltd. Ahmednagar
- Techo Force (I) Pvt. Ltd, Nasik
- Shiraz Enterprises, Pune
- Thermax Pune
- Hi Techno Control Mumbai

“a seamless solution”

List Of Customers

- Marathwada Auto Components.
- Starways Precision, Mumbai
- Maini Precision Ltd, Bangalore
- Canara Hydraulics, Bangalore
- Autotech Industries, Chennai
- Pennar Industries, Chennai
- Force Motors, Pune
- Pune Hydraulics.

“a seamless solution”

Certifications

- Yash Tubes is certified to ISO 9001:2008 by AIB-VINCOTTE International Ltd, Belgium
&
Approved As Well Known Tube and Pipe Makers by the Central Boiler Borad for manufacturing and supply of boiler tubes and pipes & tube swaging.

“a seamless solution”

Milestones ahead

- **Hot Rolling Mill Installation by Dec 2017.**
- **Develop Precision tubes Components for and Automotive Industry**
- **Certification for TS 16949 by End Oct 2017**

“a seamless solution”

Thank You!

“Looking forward to your association”
